**Summary:** Idea/challenge for stranger things and assassin creed crossover

## **Stranger things and assassin creed crossover**

Ive got a little crossover idea/challenge for any takers.

Basically a strangerthings/assassin creed crossover. Only the catch is this is the background

Its about 2 years after the last episode of stranger things. Somehow the lab caught eleven and keeping her captive for one reason, they want mike. The reason why well mikes DNA has the memories of (any assassin you choose), hense making mike an assassin, yet he doesnt know it. The lab gives mike an ultimatum to give himself to them for eleven, which you all know that he will.

Tenplars = Lab

Assassins = Mike and whoever else you choose

Just an idea anyone can try to do just putting it out there
